Competition Format

- TALK administered leagues use the round robin format for competition.

number of teams	number of round robins
7 – 10	single round robin
5 - 6	double round robin
3 - 4	triple round robin
2	minimum triple round robin

Note: TALK reserves the option to conduct additional round robins for small flights if the calendar permits and courts are available.

- Flights: Divisions with 11 or more teams will be given the option to remain unflighted or to be flighted. Captains will be asked to vote within 2 days of registration closing. The majority of votes will determine that division's format. In levels where there are two flights, the top two (2) finishing teams in each flight will advance to the District Championships. If additional teams are needed, the team(s) with the highest percentage of wins will advance. *Note: Please see chart on the last page of this document for total number of teams advancing.*
- Partial Round Robin. Each NTRP level within a local league may play a partial round robin competition wherein every team plays the same number of matches against randomly selected opponents. A minimum of the top two teams shall progress to a single elimination playoff to establish a local league champion for that NTRP level.
- Uneven Flight Advancement: When determining the qualifying teams that will advance to the District Championships and the flights are uneven; the top two (2) teams from each flight will automatically advance. The two 3rd place teams will play a 3-court match (1 singles / 2 doubles) to determine the 5th place team to represent Louisville. This deciding match will be played at a time and facility determined by the LLC.

Pre-Match

- The "Home" captain shall designate placement of courts. In each match, the Home team shall provide a new can of USTA approved balls for each court.
- If the captain will not be there at the start time, he/she should send the lineup with a designated captain. If all players are present and ready to take the court, please exchange line-ups simultaneously 5 minutes before the scheduled match time. Cell phones are the official time for the start of the match. However, since not all cell phone times may be the same, the benefit of the time goes to the earliest time on a cell phone. Courtesy requires a prompt start time. League rules support a default of the individual court if players are not on court within the 15-minute time limit.
- Do not go out to warm up for your match prior to your scheduled time unless all courts are available.*** If a court from the prior match is in a third set tiebreak, please be courteous to players on the court by allowing them to finish their match.

Match Play

- All matches will be the best 2 out of 3 sets, with the set tiebreak (the first to 7 winning by 2) to be used at 6 all in each set. In lieu of the third set, a match tiebreak (super tiebreak) shall be played (the first to 10 winning by 2). All tiebreaks will be played using the Coman Format.
- The warm-up must be accomplished in a ***maximum of 10 minutes***, including serves. Do not practice return of serve during warm-up.

- All matches must be played to completion without interruption during the scheduled 2-hour match time. Unfinished matches must be played if a court is available at the host club within a half-hour of the interrupted match, or, within a reasonable time as long as both teams agree on the delay. Additional court fees may be charged, but that is at the discretion of the host club. If a court is not available within a reasonable time frame, rescheduling should be arranged immediately by the players. If it is necessary to reschedule to complete the match, the captains must notify the LLC. The rescheduled match must be played within one week at the host facility, if possible.
 - If you are nearing the 2 hour mark (within 5 minutes)
 - Still in the 2nd set? Please don't start another game. Your captains should have already looked into court availability to move you.
 - If your match has split sets, get your 3rd set tiebreaker started.
 - If your 3rd set tiebreaker is underway, you are permitted to complete it without moving courts. If the next match comes on the court, politely ask them to leave the court until you are done (their teammates are permitted to be on adjacent courts).
 - Change-over: maximum time of 90 seconds shall elapse from the moment the ball goes out of play at the end of the game to the time the ball is struck for the first point of the next game.
 - Break between sets: maximum of 2 minutes.
 - Medical/Injury: per "Friend of Court": "No extra time shall be given to a player to recover condition. However, a player suffering from a treatable medical condition may be allowed one medical timeout of three (3) minutes for the treatment of that medical condition."
 - When your court is finished, please EXIT the court and watch from the lobby.
- Play shall be continuous from the first service until the match is completed in accordance with the following provisions:
 - If the first service is a fault, the second service must be struck by the server without delay.
 - The receiver must play to the reasonable pace of the server and must be ready to receive when the server is ready to serve. The server cannot take longer than 20 seconds in between points.
 - After the first game of each set and during the tie-break, play shall be continuous and the players shall change ends without a rest period.
 - A bona fide bathroom break can be taken at any time during the match, though it is courteous to leave the court at the end of a game or on a "designated change-over".
- In order for a team match to be counted in the standings, teams must play the minimum courts as defined in the chart below:

<i>Match Format</i>	<i>Required matches in sequential order</i>	<i>Minimum # of players per team required for valid match</i>
2 singles, 3 doubles	#1 and #2 singles, and #1 doubles (priority); #2 doubles if enough players present	4
1 singles, 4 doubles	#1 singles #1 and #2 doubles (priority); #3 doubles if enough players present	5
1 singles, 2 doubles	#1 singles and #1 doubles	3

3 doubles	#1 and #2 doubles	4
-----------	-------------------	---

- Invalid Matches:
 - TALK will access grievance points against captains and/or teams for the following:
 - Captains: Invalid matches entered into TennisLink. A match is deemed invalid if the number of courts played is insufficient as defined in the table above. Each captain will be assessed one (1) grievance point under the USTA Grievance policy unless a sufficient number of courts are rescheduled and played within two (2) weeks of the original match date.
 - Team: A match is a full default. Each player on the roster of the defaulting team will be assessed one (1) grievance point under the USTA Grievance policy unless a sufficient number of courts are rescheduled and played within two (2) weeks of the original match date.
- Coaching is not permitted in USTA matches. Coaching is considered to be communication, advice or any instruction that is audible or visible to a player. Communication between spectators and players should be in a language understood by all players present, or it may be considered coaching.
- Players are responsible for adhering to the Code. Unsportsmanlike conduct will NOT be tolerated.
- At NO time are cell phones allowed to be used on the tennis court during a match. **ALL Cell Phones** must be set to silent. If a phone on your court rings once, request that the phone be turned off and replay the point. If the phone rings again, you may claim the point in the game based on a deliberate hindrance.
- If a team knows 24 hours in advance of their scheduled match that they intend to forfeit a court, the captain must contact the facility and the opposing captain to cancel the court. ***Note: A facility may charge a fee unless notice is given 24 hours in advance. The forfeiting captain shall be responsible for full payment of that court unless the facility has been notified in advance of the cancellation.***

Weather

- Winter Weather: In the event of inclement winter weather (unsuitable driving conditions in regards to snow and ice), Club Management makes the decision to open/close the clubs. Any decisions will be shared on the TALK social media accounts. If the captains chose to re-schedule, all protocols as defined this guide must be followed.
- If both team captains agree to move/reschedule a match due to weather, the facility MUST be notified and the cancellation confirmed or the teams will be liable for all match fees. ***The LLC must be notified in writing of this decision.***
- Match moved indoors:
 - *Teams will be responsible for ALL court fees at the original facility if a match is moved inside without confirmation of the cancellation of the courts at the original site. Teams will also incur additional court costs when moving a match indoors.*
 - Rain Suspension: Defined as play has begun (the first service attempt has been made) and must be halted due to conditions. No alterations from the original line-up will be permitted if the match has started and was interrupted due to weather. *Note: refunds will not be issued by the original facility.*
 - Rain Reschedule: Forecast is for rain within 4 hours of match time.
 - Heat Reschedule: Heat index is projected to be 100 degrees or above.

Reschedules

- ***The policy of all TALK administered League Play is that there will be NO RESCHEDULING of matches during the season.*** However, there may be extenuating circumstances where a team needs to request a reschedule of a match or individual courts.
- ***Notice:*** If courts are not cancelled within 24 hours, the teams may be charged for the unused courts per club policy.
- It is each captain's responsibility to review the ENTIRE match schedule once it is published to identify problematic weekends such as holidays, district/sectional play, etc. and to be proactive in ascertaining player availability and requesting any needed reschedule several weeks in advance.
- EXCEPTION: If any team has 50% or more of their roster registered for a ***sanctioned*** USTA League State, Sectional or National Tournament, regardless of the league, they can request from their opponent consideration in rescheduling their league match. A team with this concern should notify their opponents and the LLC (srice@talktennis.org or sara.ward@talktennis.org) at least 2 weeks prior to the scheduled match to reschedule the match.
- If a captain needs to request a reschedule of a match or partial match the following protocol should be followed:
 - Captains should make reasonable efforts to accommodate a request to rescheduled courts.
 - The LLC should be notified via email of the request to reschedule.
 - Advise the opposing Captain specifically which courts are being requested to reschedule (singles and/or doubles) and the court placement (S1, D1, etc.).
 - Within 24 hours, the opposing Captain shall acknowledge the request and if they are willing to look for alternative dates and times. This acknowledgement must be via email/text.
 - If the Opponent is able to secure alternative options, they shall offer two (2) reasonable dates, times and locations for the reschedule within 5 days of the request. If the opponent is unable to find acceptable alternative options, they will advise the requesting captain as such. Every effort must be made to play the rescheduled courts/matches at the facility where it was originally scheduled. *The requesting team will then play the courts as originally scheduled or will forfeit those courts.*
 - The requesting captain has 48 hours to respond by either agreeing to one of the proposed times or acknowledging forfeiture of the courts.
 - The requesting captain is responsible for cancelling any courts with the scheduled facility. *If cancellation is not made within 24 hours of the original match time, the requesting team is liable for the court costs.*
 - ALL courts must be played within 2 weeks of the originally scheduled dates and by the last date of play for the session. The LLC may grant permission for a date outside of the two (2) weeks with Board approval except in the event that it would pass the last date of play for the league.
 - Once an agreement is reached, the LLC shall be notified via email of the decision.
 - All scores must be entered into Tennislink within four (4) hours of the completion of the match.

Forfeits

- Forfeits will be monitored weekly by TALK.
- If a team forfeits an entire team match, a grievance will be filed by the LLC against the team. The

- Grievance Committee will determine any penalty to the team and/or captain.
- The threshold for penalty for all TALK administered leagues will be 15% of total courts scheduled for a team per session.
 - At the end of a league session, if any team has reached the 15% threshold for the first time in the calendar year, the captain(s) will be sent a warning letter from the TALK Board.
 - If a team reaches the 15% a second time in the calendar year, the captain(s) will be suspended from captaining a team for a length of time to be determined by the LLC and the TALK Board Officers.
- Forfeit percentages will be calculated by dividing a team's forfeited courts by the total number of courts scheduled for that team.
- Any team forfeiting 2 (out of 5) courts will be contacted by the LLC offering assistance in avoiding future forfeits. A letter outlining these concerns will be sent and kept on file.

Grievances

- Invalid Matches:
 - TALK will access grievance points against captains and/or teams for the following:
 - Captains: Invalid matches entered into TennisLink. A match is deemed invalid if the number of courts played is insufficient as defined in the table above under "Match Play". Each captain will be accessed one (1) grievance point under the USTA Grievance policy unless a sufficient number of courts are rescheduled and played within two (2) weeks of the original match date.
 - Team: A match is a full default. Each player on the roster of the defaulting team will be accessed one (1) grievance point under the USTA Grievance policy unless a sufficient number of courts are rescheduled and played within two (2) weeks of the original match date.
- As with grievances filed at the Southern or Kentucky level, TALK will require a \$50 filing fee for all General/Sportsmanship and/or Administrative Grievances and Grievance Appeals that are heard at the local level. The filing fee will only be returned to the grieving party if a penalty is imposed. Payment should be via check made payable to "TALK".
- The decision of the Grievance Committee shall conform to the USTA League Suspension Point System, which shall be established prior to each League Year by the USTA National League Committee.
- Any grievances must be filed by a team captain prior to the next team match during the local league season and within 24 hours after the last regular match or playoff match. The Grievance form can be found on the USTA website (http://www.ustaky.com/adult/league_forms/?intloc=headernavsub2). Grievances shall be sent to the LLC who will then forward them on to the Grievance Committee. A copy of each complaint shall be sent to the party(ies) against whom the complaint has been made by the LLC.
- TALK has a Grievance Committee and the Board Officers comprise the Appeals Committee.
